of Public Administration

i2010: Three priorities

- **A Single European Information Space**
 - i. The completion of a **Single European Information Space** which promotes an open and competitive internal market for information society and media
- **Innovation and investment in research**
 - ii. Strengthening **Innovation and Investment** in ICT research to promote growth and more and better jobs
- **Inclusion, better public services and quality of life**
 - iii. Achieving an **Inclusive European Information Society** that promotes growth and jobs in a manner that is consistent with sustainable development and that prioritises better public services and quality of life

Project facts

Contract no: IST-4-27139

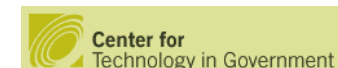

- Specific support action under the EC 6th Framework Program of IST
 - Action Line 2.4.9: ICT research for innovative government
- 9 Partners
 - 7 from five EC member states, 1 from USA, 1 from Australia
- Budget
 - Overall project budget: EUR 643.034,--
 - EC grant to the budget: EUR 523.000,--
- Duration
 - Start: 1st January 2006
 - Duration: 15 months
- Human resources
 - 78,5 Person-months
- URL: <http://www.egovrtd2020.org/>

Project Partners

- University of Koblenz-Landau (coordinator), Germany
- Delft University of Technology, The Netherlands
- Center for Technology and Innovation Management, Germany
- Mykolas Romeris University, Lithuania
- University of Maribor, Slovenia
- EIPA-CEFASS (Centre Européen de Formation dans les Affaires Sociales et de Santé Publique, Italy)
- Systèmes Informatiques de Gestion, France
- The Australian National University, Australia
- Center for Technology in Government, University at Albany, USA

Lombardia Region and EIPA

2001-2005

- On the basis of Regional Decree no. VII/6019 of 14 September 2001 and pursuant to the Agreement signed between Lombardia Regione Executive Administration and EIPA, on December 6 2001 the CEFASS Foundation was established and started to operate as one of the Antenna of the EIPA system
- In the period covered by this first agreement CEFASS carried out research, training and consulting activity in the following areas:
 - a) the free movement of labour and industrial relations; b) social dialogue; c) welfare and social security; d) health and security; e) equality of opportunity; f) the mgmt of social administration and public health care.

2006-2008

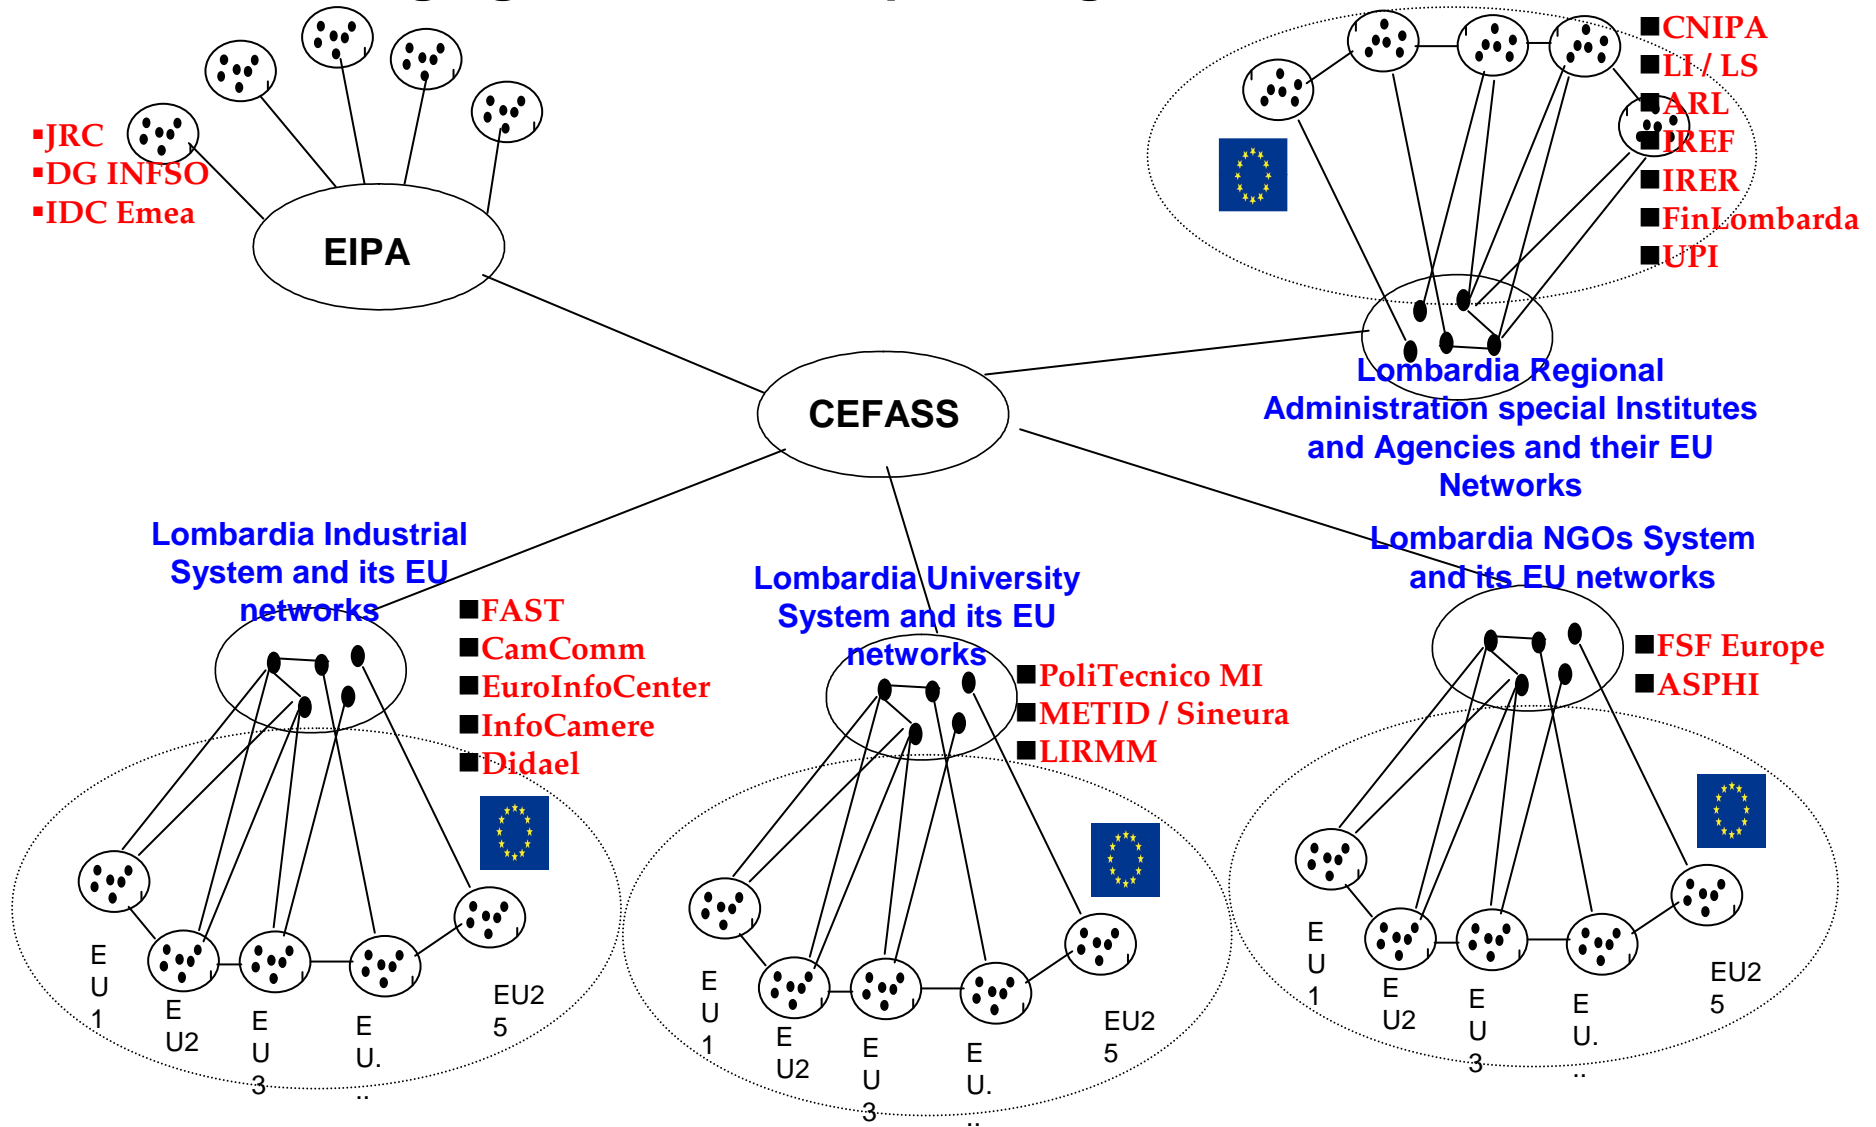

- A New Agreement recently signed between Lombardia Regione Executive Administration and EIPA has extended the previous one until 2008
- It confirmed the role of CEFASS as an antenna of the EIPA system in the areas already covered in the period 2001-2005
- The **New Agreement** has been, however, extended **and starting from 2006 CEFASS will focus on three new areas earlier dealt with by EIPA in Maastricht.**
 - **Information Society** (with special focus on **eInclusion**)
 - **eGovernment**
 - **eHealth**

CEFASS Strengths and Value Proposition in this new areas as a Knowledge Meta-Hub able to integrate and bridge different knowledge networks to service the specific needs of public administrations

Regione Lombardia

CEFASS is well endowed to position itself as a “Knowledge Meta-Hub” bridging different European regional networks...

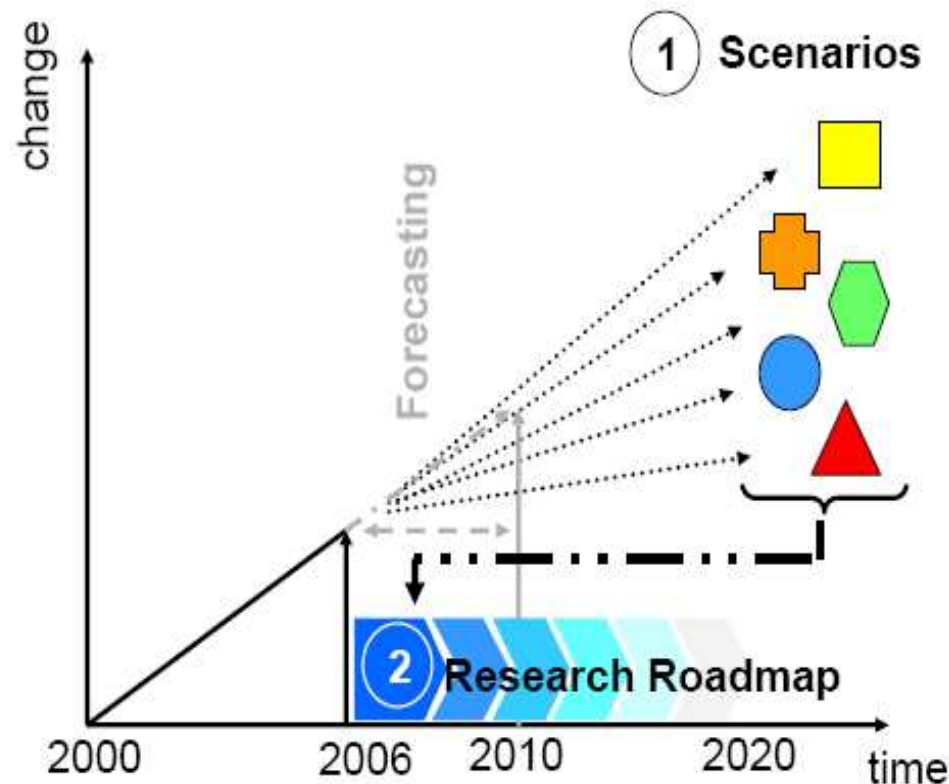

Overall objectives

- Identify and characterize **key research challenges, required constituency, and an implementation model for dynamic governments in 2020**
 - Develop **visionary scenarios of eGovernment for 2020**
 - Develop a **detailed research roadmap for the transformation process**
- **Vision**
 - transform the EC Government **landscape into a coherent community**
 - contributing to the development of the EC to a **leading knowledge society**

Overall methodology

WP 1: State of play

1 WP 2: Scenarios development

WP 3: Gap analysis

2 WP 4: Roadmap development

WP 5: Dissemination & Book eGovRTD2020

EC related strategic documents: Lisbon agenda and i2010

- **Vision:** Europe as the most dynamic and competitive, knowledge-based economy by 2010

- **Realization by:**
 - improving citizens' quality of life,
 - supporting single markets, and
 - bureaucratic rigidity

- **Europe's Information Society policy pillars:**
 - Single European Information Space
 - Innovation and Investment
 - Inclusive European Information Society

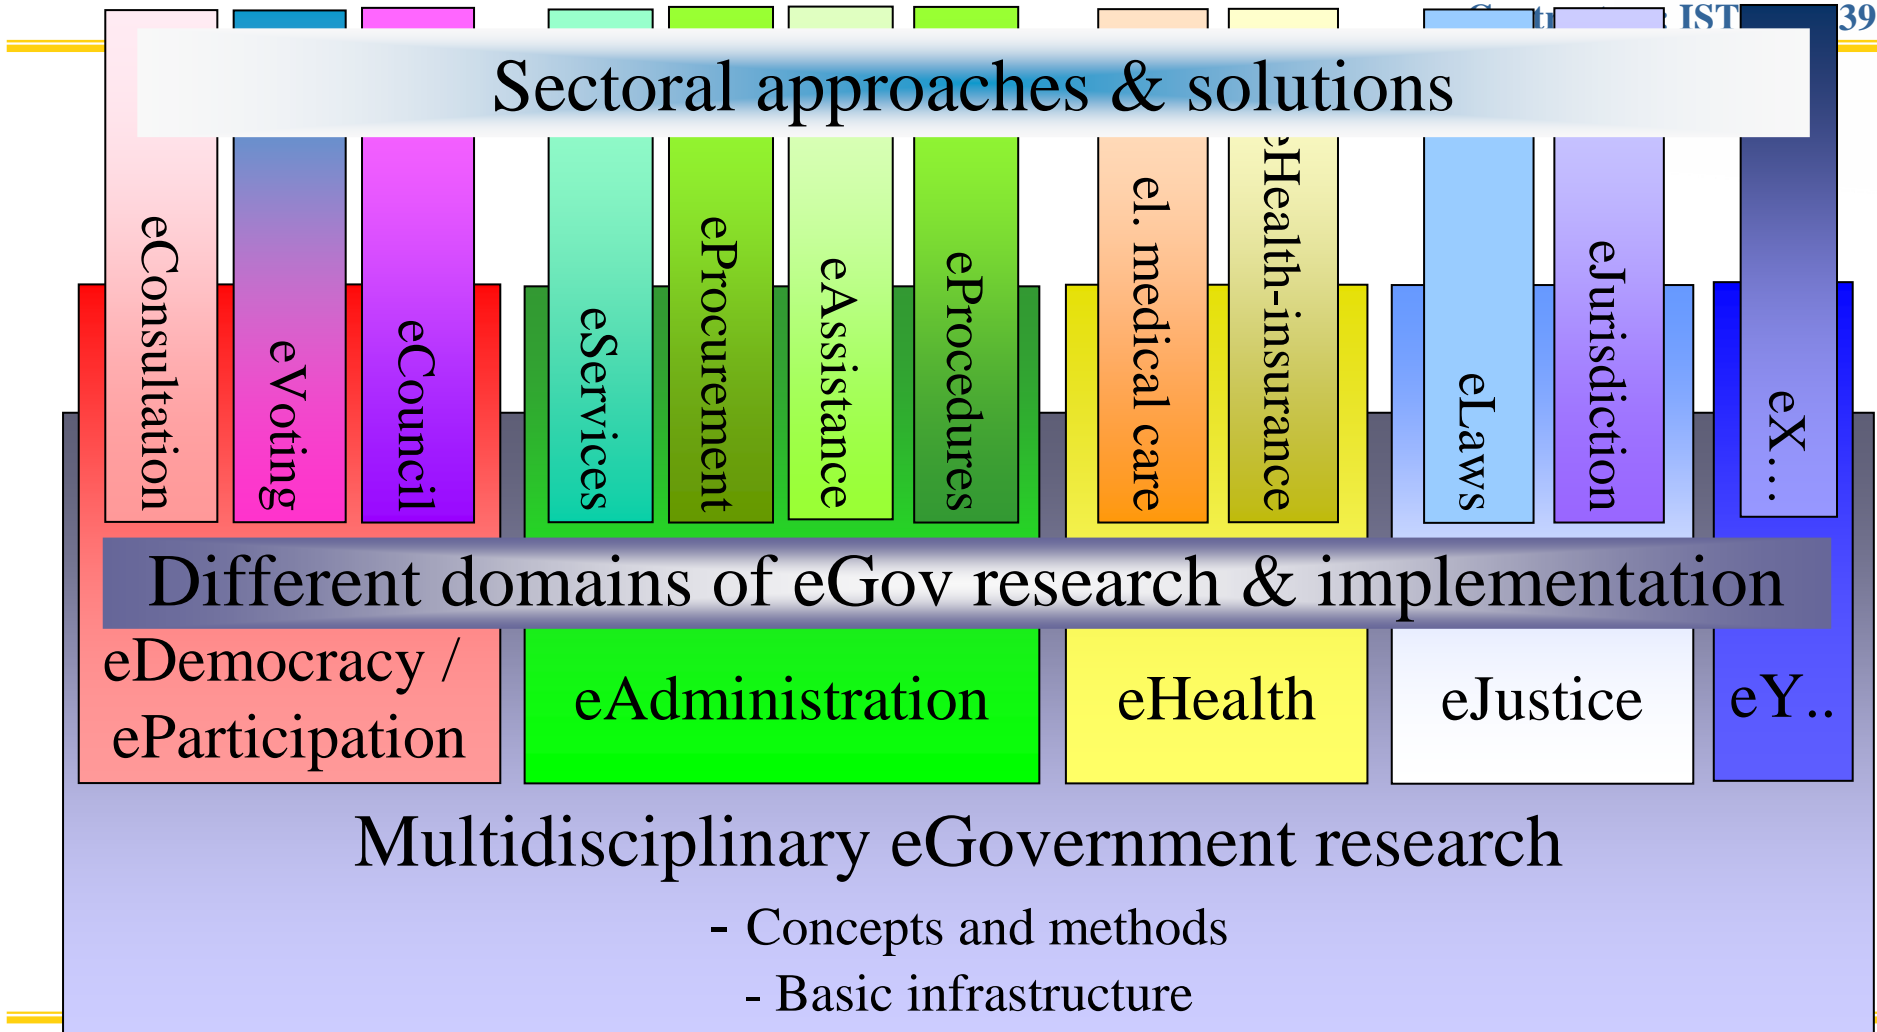

eGovernment: many fields of research and application

- **eGovernment in a narrow sense (eAdministration)**
 - Public services in the sense of policy implementation
 - Public sector internal ICT-diffusion and usage
 - eAssistance
- **eDemocracy**
 - Democracy services in the sense of policy making
 - eParticipation
 - eCouncil / virtual townhall
 - Five application areas
 - ❖ eConsultations, ePetitions, eVoting, Web castings, Information
- **eGovernance / ePolicy**
 - Management of State and Administration
- **eLaws**
 - Legislative process
- **eJustice**
 - Implementing/applying the laws
 - Jurisdiction
- **eHealth**
 - Medical care
- **eEducation**
 - Schools
 - Distance learning
- ...

From sectoral investigations to the overall discipline ...
